

Our business is making your business look good!

Introducing the
DANDY
DigiBadge[®]

Personal
name bars
in full
colour!

NOW ALL the staff in your company or organisation can look good wearing personalised name bars from Australia's leading badge manufacturer. Logos or company emblems are printed directly onto our lightweight hard-wearing badge stocks along with individual names and titles (like "Manager" etc). There are three base colours and two sizes in the standard DigiBadge[®] range, with a choice of five types of fitting including combination pin/clip and fabric-friendly magnetic snap-on bar. For even longer-lasting and superior finish, choose our luxury lens coating. Please call for non-standard shapes and sizes, varying base colours, re-usable badges and larger quantities.

Important stuff: Payment by Credit Card only. 50% deposit with order, balance prior to dispatch. Allow 10-12 working days for production. Faster turnaround can be arranged at extra charge. Prices include GST and delivery to one address. Logo artwork should be supplied as Illustrator EPS, Coreldraw file or JPG. Quality of the print will be dependent on artwork. We can provide artwork at extra cost. PMS colours will be printed as CMYK equivalent. Print reproduction is to digital printing standards. Individual names will be printed in Arial bold unless another standard Windows font is requested. Names should be provided as an Excel or text (TXT) file—Windows Notepad format is ideal—names typed exactly as required on a separate line.
